Mr. Charles V. Boykin
Deputy Assistant Secretary for Intelligence
Department of Energy
Washington, D. C. 20585

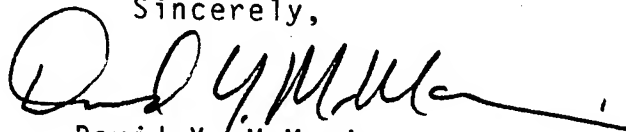

Dear Charlie,

I am pleased to welcome Department of Energy as a member of the Washington Area Operations-Intelligence Center Chief (WAOCC) Conference. As we discussed recently, there are many reasons why your Emergency Response Center should be drawn closer to the other centers and we foresee mutual benefits for greater information exchanges, complementary training, and community-developed communications and other technology improvement programs.

The enclosed list contains the names of our other members. I hope it is useful to you and Larry Forsyth. In the near future, we will send Larry a copy of our updated WAOCC procedures handbook.

We are looking forward to your participation in our Conference. Welcome again.

Sincerely,

David Y. McManis
National Intelligence Officer for Warning
